Standard Chartered alerts customers of fraudulent website

Standard Chartered Bank (Hong Kong) Limited (the “Bank”) would like to alert its customers of a fraudulent link embedded in a phishing email:

S2BWeb.Admin@s2bmail.standardchartered.com

On clicking the above link, the user will be directed to a fraudulent website:

<http://standard-charteredsssoappl.com/login/index.html>

This fraudulent website purports to be Standard Chartered’s “Straight2Bank” portal for business clients. Customers are strongly advised not to click on the fraudulent link or provide any information through the fraudulent website.

Standard Chartered would like to remind its customers that it will not request customers’ personal information (including user names and passwords) by email. Passwords, such as One-Time passwords, are also never requested by the Bank over the phone. Customers should only log into Standard Chartered Online Banking through the Bank’s website www.sc.com/hk, or <https://s2b.standardchartered.com> for Straight2Bank, and not through hyperlinks embedded in emails or third party websites. They should ensure they are connected to a valid Standard Chartered’s website before keying in any confidential personal data.

The Bank has reported the abovementioned incident to the Hong Kong Police and has urged the administrators of the website in question to remove it immediately.

For enquiries, please call the Bank's 24-hour customer service hotline at (852) 2886 8868 (press 2 - 6 - 0).
