- 投資者在作出任何投資決定之前，應審慎閱讀有關銷售文件，尤其是當中所載的條款及條件、投資政策和風險因素，以及最新之財務業績資料，而投資者就任何投資決定尋求獨立的財務意見是可取的。
- 投資者在作出任何投資決定之前，應確保其完全明白單位信託或互惠基金所附帶的風險，亦應考慮其本身的投資目標、投資經驗、財務狀況及風險承受程度。

債券投資服務之投資風險聲明：

- 投資涉及風險。債券及結構性票據之價格有時會非常波動，在最壞的情況下，投資者可能損失全部的投資的款項。債券及結構性票據買賣具有其潛在風險，故未必一定能夠賺取利潤，反而可能會招損失。

- 有限度的莊家活動：發行商可能為其股票掛鈎投資產品提供有限度的莊家活動。但假如您嘗試於到期前，透過發行商所提供的莊家活動出售有關股票掛鈎投資產品，您所收取的款項可能遠低於最初的投資金額。

Risk Disclosure Statements:

- Investment involves risks. The prices of investment products fluctuate, sometimes dramatically and the worst case may result in loss of your entire investment amount. Past performance is no guide to its future performance.
- Investors should read the terms and conditions contained in the relevant offering documents and in particular the investment policies and the risk factors and latest financial results information carefully and are advised to seek independent professional advice before making any investment decision.
- Investors should consider their own investment objectives, investment experience, financial situation and risk tolerance level.

Important Note for Priority Private:

- To be a Priority Private Client, you need to maintain the average Total Balance with the Bank at HKD8,000,000 or above. After the first 12 months following the issuance date of the welcome letter, your eligibility as Priority Private Client will be reviewed twice annually in the months of June and December. At the time of review, your average Total Balance with the Bank should be maintained at HKD8,000,000 or above for the preceding 3 months in order to maintain the Priority Private status for the next 12 months. "Total Balance" includes the aggregate balance of deposits, investments and accumulated premiums of selected insurance under personal account as the primary account holder.
- If the average daily Relationship Balance of a Priority Private Client within the quarter falls below HKD1,000,000, a maintenance fee of HKD900 will be charged for the quarter. For details, please refer to the Service Charges booklet and

- Having a “Customer Investment Profile” will be a prerequisite for investors and for us to assess suitability of all investment subscriptions/switch-in transactions*. Therefore, please remember to complete the questionnaire before investing to avoid any inconvenience.

* excluding securities trading

Important Note for Equity Linked Investments, Structured Notes and Investment Fund Services:

- Equity Linked Investments and Structured Notes are structured products involving derivatives. Investment Fund is an investment product and some Investment Funds would involve derivatives. The investment decision is yours, but you should not invest in that investment product unless the intermediary who sells it to you has explained to you that the product is suitable for you having regard to your financial situation, investment experience and investment objectives.

Important Notes for Insurance:

- The life assurance plans are life insurance products and are not bank deposit. They are underwritten by Prudential Hong Kong Limited (Part of Prudential plc United Kingdom) (“**Prudential**”). Some of these plans may have a savings element and are not an alternative to ordinary savings or time deposits. Part of the premium pays for the insurance and related costs.
- If you are not happy with your policy, you have a right to cancel it within the cooling-off period and obtain a refund of any premium(s) and levy(ies) paid, less any withdrawals (if applicable), provided that no claim has been made under the policy. A written notice signed by you should be received directly by Prudential Hong Kong Limited at 8/F, Prudential Tower, The Gateway, Harbour City, 21 Canton Road, Tsim Sha Tsui, Kowloon, Hong Kong within the cooling off period (that is, within 21 calendar days immediately following either the day of delivery of (1) the policy or (2) the notice (informing the availability of the policy and expiry date of the cooling-off period) to you or your nominated representative, whichever is earlier). After the expiration of the cooling-off period, if you cancel the policy before the end of benefit term, the actual cash value (if applicable) may be substantially less than the total amount of premiums paid. You should check with Prudential if you have any doubt regarding your cooling off right.
- The Bank is an insurance agent of Prudential.
- As the issuer of the life assurance plans, Prudential will be responsible for all protection and claims issues. Prudential is not an associate or subsidiary company of the Bank. This leaflet is not a contract of insurance and is intended to be a general summary for reference purpose only. Please refer to the policy for full terms and conditions. The Bank does not accept any responsibilities regarding any statements provided by Prudential or any discrepancies or omissions in the contract of insurance nor shall the Bank be held liable in any manner whatsoever in relation to your contract of insurance.
- This leaflet is intended to be distributed in Hong Kong only and shall not be construed as an offer to sell or solicitation to buy or provision of any insurance product outside Hong Kong. Prudential and the Bank do not offer or sell any insurance product in any jurisdictions outside Hong Kong in which such offering or sale of the insurance product is illegal under the laws of such jurisdictions. This leaflet does not constitute a contract of insurance or an offer, invitations or recommendation to any person to enter into any contract of insurance or any transaction described therein or any similar transaction.
- Whether to apply for insurance coverage is your own individual decision. **During the sales process, this leaflet should be read in conjunction with the relevant product brochure. For full terms and conditions, and risk disclosures of the relevant insurance plan, please refer to relevant product brochure and policy document and read carefully.**
- In respect of an eligible dispute (as defined in the Terms of Reference for the Financial Dispute Resolution Centre in relation to the Financial Dispute Resolution Scheme) arising between SCBHK and the customer out of the selling process or processing of the related transaction, the Bank will enter into a Financial Dispute Resolution Scheme process with the customer; however, any dispute over the contractual terms of the product should be resolved directly between Prudential and the customer.

Notes:

- Clients must fulfil the portfolio of securities and money requirement of not less than HKD8,000,000 (or equivalent foreign currency) under the Securities and Futures Ordinance in order to be eligible as a PI. PI status is subject to the validation check and approval of the Bank.
- This document does not constitute any invitation or recommendation to any person to enter into any transaction or financial products.
- Investors should not make investment decisions based on this document alone.
- This document has not been reviewed by the Securities and Futures Commission or any regulatory authority in Hong Kong.

Risk Disclosure Statement for Investment Fund Services:

- Investment involves risks. The prices of units/ shares of unit trusts or mutual funds fluctuate, sometimes dramatically and the worst case may result in loss of your entire investment amount. It is as likely that losses will be incurred rather than profit made as a result of buying and selling unit trusts or mutual funds. Past performance of any Investment Fund is no guide to its future performance.
- Investors should carefully read the relevant offering documents and in particular the Terms & Conditions contained therein, the investment policies and the risk factors and latest financial results information. It is desirable that the Investor seeks independent financial advice with respect to any investment decision.
- Investors should ensure they fully understand the risks associated with unit trusts or mutual funds and should also consider their own investment objective, investment experience, financial situation and risk tolerance level before making any investment decision.

Risk Disclosure Statement for Debt Securities Services

- Investment involves risks. The price of bonds and structured notes fluctuates, sometimes dramatically and the worst case may result in loss of your entire investment amount. There is an inherent risk that losses may be incurred rather than profits made as a result of trading bonds and structured notes.
- Investors should consider their own investment objectives, investment experience, financial situation and risk tolerance level.
- Investors should carefully read the relevant offering documents and the Terms & Conditions of relevant product/service before making any investment decision.

Risk Disclosure Statement for Equity Linked Investment Services

- The price or value of the Equity Linked Investments (ELIs) fluctuates, sometimes dramatically and the worst case may result in loss of your entire investment amount. It is as likely that losses will be incurred rather than profit made as a result of subscribing for, buying and selling the ELIs. Investors should therefore carefully consider whether such transactions are suitable in light of their financial position and investment objectives before entering into such transactions.
- Not principal protected: ELIs are not principal protected. You may suffer a loss if the prices of the underlying asset(s) of an ELI go against your view. In extreme cases, you could lose your entire investment.
- Limited potential gain: The potential return on your ELI may be capped at a predetermined level specified by the issuer.
- Credit risk of the issuer: When you purchase an ELI, you rely on the credit-worthiness of the issuer. In case of default or insolvency of the issuer, you will have to rely on your distributor to take action on your behalf to claim as an unsecured creditor of the issuer regardless of the performance of the reference asset(s).
- No collateral: ELIs are not secured on any assets or collateral.
- Limited market making: Issuers may provide limited market making arrangement for their ELIs. However, if you try to terminate an ELI before maturity under the market making arrangement provided by the issuer, you may receive an amount which is substantially less than your original investment amount.
- Investing in an ELI is not the same as investing in the reference asset(s): during the investment period, you have no rights in the reference asset(s). Changes in the market price of such reference asset(s) may not lead to a corresponding change in the market value and/or potential payout of the ELI.
- Conflicts of interest: Issuer of an ELI may also play different roles, such as the arranger, the market agent and the calculation agent of the ELI. Conflicts of interest may arise from the different roles played by the issuer, its subsidiaries and affiliates in connection with the ELI.
- Investors should consider their own investment objectives, investment experience, financial situation and risk tolerance level.
- Investors should carefully read the relevant offering documents and the Terms & Conditions of relevant product/service before making any investment decision.

股票掛鈎投資、結構性票據及基金投資服務重要提示：

- 股票掛鈎投資及結構性票據乃涉及金融衍生工具的結構性產品。基金乃投資產品而部分基金涉及金融衍生工具。投資決定是由閣下自行作出的。除非中介人於銷售該產品時已向閣下解釋並經考慮閣下的財務狀況、投資經驗及目標後而該產品是適合閣下的，否則閣下不應投資在該產品。

基金投資服務之投資風險聲明：

- 投資涉及風險。單位信託或互惠基金的單位/股份價格有時可能會非常波動，在最壞的情況下，投資者可能損失全部的投資的款項。買賣單位信託或互惠基金未必一定能夠賺取利潤，反而很可能會招致虧損。過往的基金表現並非其將來表現的指引。
- 投資者在作出任何投資決定之前，應審慎閱讀有關銷售文件，尤其是當中所載的條款及條件、投資政策和風險因素，以及最新之財務業績資料，而投資者就任何投資決定尋求獨立的財務意見是可取的。
- 投資者在作出任何投資決定之前，應確保其完全明白單位信託或互惠基金所附帶的風險，亦應考慮其本身的投資目標、投資經驗、財務狀況及風險承受程度。

債券投資之投資風險聲明：

- 投資涉及風險。債券及結構性票據之價格有時會非常波動，在最壞的情況下，投資者可能損失全部的投資的款項。債券及結構性票據買賣具有其潛在風險，故未必一定能夠賺取利潤，反而可能會招損失。

股票掛鈎投資之投資風險聲明：

- 股票掛鈎投資產品價格或價值有時會非常波動，在最壞的情況下，投資者可能損失全部的投資的款項。股票掛鈎投資產品的認購、買賣未必會賺取利潤，反而可能會招致虧損。因此，投資者在進行股票掛鈎投資產品交易之前，應仔細考慮本身的財務狀況及投資目標，以確定該等交易是否適合。
- 非保本：股票掛鈎投資並不保本。假如參考資產的價格與您所預期背道而馳，您將蒙受損失。在極端的情況下，您可能損失全部投資款項。
- 潛在回報有上限：股票掛鈎投資的潛在回報可能限於發行商所預設的一個上限。
- 發行商的信用風險：當您買入股票掛鈎投資產品，您倚賴其發行商的信用可靠性。假如發行商違債或無償債能力，不論參考資產的表現如何，您只能倚賴您的分銷商，代您以無抵押債權人身份向發行商提出申索。
- 並無抵押品：股票掛鈎投資產品並無以任何資產或抵押品作抵押。
- 有限度的莊家活動：發行商可能為其股票掛鈎投資產品提供有限度的莊家活動。但假如您嘗試於到期前，透過發行商所提供的莊家活動出售有關股票掛鈎投資產品，您所收取的款項可能遠低於最初的投資金額。
- 與投資參考資產並不一樣：於投資期內，您對參考資產無任何權利。參考資產的市價變動，未必會導致股票掛鈎投資產品的市值及/或潛在分派，出現相應變動。
- 利益衝突：股票掛鈎投資產品的發行商可能擔當不同的角色，例如：安排人、市場代理人及計算代理。該發行商、其附屬公司及其聯屬公司所擔當的不同角色，可能會引致利益衝突。

Important Note for Equity Linked Investments, Structured Notes and Investment Fund Services

- Equity Linked Investments and Structured Notes are structured products involving derivatives. Investment Fund is an investment product and some Investment Funds would involve derivatives. The investment decision is yours, but you should not invest in that investment product unless the intermediary who sells it to you has explained to you that the product is suitable for you having regard to your financial situation, investment experience and investment objectives.
- Investors should consider their own investment objectives, investment experience, financial situation and risk tolerance level.

Risk Disclosure Statement for Investment Fund Services:

- Investment involves risks. The prices of units/shares of unit trusts or mutual funds fluctuate, sometimes dramatically and the worst case may result in loss of your entire investment amount. It is as likely that losses will be incurred rather than profit made as a result of buying and selling unit trusts or mutual funds. Past performance of any Investment Fund is no guide to its future performance.
- Investors should carefully read the relevant offering documents and in particular the Terms & Conditions contained therein, the investment policies and the risk factors and latest financial results information. It is desirable that the Investor seeks independent financial advice with respect to any investment decision.
- Investors should ensure they fully understand the risks associated with unit trusts or mutual funds and should also consider their own investment objective, investment experience, financial situation and risk tolerance level before making any investment decision.

Risk Disclosure Statement for Debt Securities Services:

- Investment involves risks. The price of bonds and structured notes fluctuates, sometimes dramatically and the worst case may result in loss of your entire investment amount. There is an inherent risk that losses may be incurred rather than profits made as a result of trading bonds and structured notes.

Risk Disclosure Statement for Equity Linked Investment Services:

- The price or value of the Equity Linked Investments (“ELIs”) fluctuates, sometimes dramatically and the worst case may result in loss of your entire investment amount. It is as likely that losses will be incurred rather than profit made as a result of subscribing for, buying and selling the ELIs. Investors should therefore carefully consider whether such transactions are suitable in light of their financial position and investment objectives before entering into such transactions.
- Not principal protected: ELIs are not principal protected. You may suffer a loss if the prices of the underlying asset(s) of an ELI go against your view. In extreme cases, you could lose your entire investment.
- Limited potential gain: The potential return on your ELI may be capped at a predetermined level specified by the issuer.
- Credit risk of the issuer: When you purchase an ELI, you rely on the credit-worthiness of the issuer. In case of default or insolvency of the issuer, you will have to rely on your distributor to take action on your behalf to claim as an unsecured creditor of the issuer regardless of the performance of the reference asset(s).
- No collateral: ELIs are not secured on any assets or collateral.
- Limited market making: Issuers may provide limited market making arrangement for their ELIs. However, if you try to terminate an ELI before maturity under the market making arrangement provided by the issuer, you may receive an amount which is substantially less than your original investment amount.
- Investing in an ELI is not the same as investing in the reference asset(s): during the investment period, you have no rights in the reference asset(s). Changes in the market price of such reference asset(s) may not lead to a corresponding change in the market value and/or potential payout of the ELI.
- Conflicts of interest: Issuer of an ELI may also play different roles, such as the arranger, the market agent and the calculation agent of the ELI. Conflicts of interest may arise from the different roles played by the issuer, its subsidiaries and affiliates in connection with the ELI.
- Investors should consider their own investment objectives, investment experience, financial situation and risk tolerance level.
- Investors should carefully read the relevant offering documents and the Terms & Conditions of relevant product/service before making any investment decision.

- The life insurance plans are life insurance products and are not bank deposit. They are underwritten by Prudential Hong Kong Limited (Part of Prudential plc United Kingdom) (“Prudential”). Some life insurance plans may have a savings element and are not an alternative to ordinary savings or time deposits. Part of the premium will be used to pay for the insurance and related costs.
- If you are not happy with your policy, you have a right to cancel it within the cooling-off period and obtain a refund of any premium(s) and levy(ies) paid, less any withdrawals (if applicable), provided that no claim has been made under the policy. A written notice signed by you should be received directly by Prudential at 8/F., Prudential Tower, The Gateway Harbour City, 21 Canton Road, Tsim Sha Tsui, Kowloon, Hong Kong within the cooling off period (that is, within 21 days face-to-face distribution (including webpage and mobile app) or 30 days for non-face-to-face distribution, after the delivery of the policy or issue of a notice (informing you or your representative about the availability of the policy and expiry date of the cooling off period), whichever is the earlier). The premium and levy will be refunded in the currency of premium and levy payment at the time of application for this policy. If the currency of premium and levy payment is not the same as the plan currency, the refundable premium and levy amount in plan currency under this policy will be converted to the currency of premium and levy payment at the prevailing currency exchange rate as determined by Prudential in their absolute discretion from time to time upon payment. After the expiration of the cooling-off period, if you cancel the policy before the end of the term, the projected total cash value (if applicable) may be less than the total premium you have paid.
